REJOICE

COLLECTION

Dear friends,

als Gründer einer internationalen Marke im Luxus Segment, werde ich bei den unterschiedlichsten Gelegenheiten gefragt, was Luxus für mich bedeutet. Meine Antwort kam früher wie aus der Pistole geschossen – es gab einfach so viele luxuriöse Dinge, die mich inspirierten. Sie tun es immer noch - aber es kamen und kommen immer neue Ebenen der Happiness hinzu. Die schönsten Momente sind für mich nun oft die, die ich ohne Eile und Hast genieße. Die stille Feier des Hier und Jetzt.

In unserer Kollektion ist jedes Stück ein Begleiter für die Reise des Lebens, die umso kostbarer und luxuriöser wird, je mehr wir die einzelnen Momente bewusst erleben und schätzen. Dabei umhüllt sein von Cashmere und Seide - what better reason to rejoice?

being the founder of an international luxury brand, people often ask me about what luxury means to me. I used to rapidly fire off a whole bunch of answers – there were just so many luxurious things that inspired me. They still do – and new layers of happiness seem to constantly add themselves. My favorite moments are now the peaceful ones, the ones that I enjoy without being in a rush or hurry – quietly celebrating the here and now. Each piece of our collection can become a companion for the journey through life, a life that we will experience as more precious and luxurious when we consciously appreciate each individual moment. Being wrapped in cashmere and silk while doing that – I can't think of a better way to rejoice!
